PERFORMANCE 1 P160W

Performance. Reinvented.

We've created the best-selling and most frequently imitated line of cases in history. But we don't rest on our laurels, so we redesigned the entire line from scratch. Introducing Performance One. It combines the best of Quiet Computing™ with Antec's years of leadership in high-performance case design. It offers everything you'd expect from Antec: advanced features, dynamic styling, and the latest technology. Performance One from Antec redefines what a case should be – again. Now that's the Power of You.

UPC # : 761345-81600-7

Special features:
